

## 2018 Hosting Service Detail Sheet

All families that have participants in Southern Indiana Catholic football and cheer will be asked to volunteer and will be assigned a service detail for dates when SIC hosts games and for chain gang during SIC games on dates where CCC hosts.

Service details will be divided evenly among participating families.

A sign up genius will be sent once the schedule has been fixed for parents to request their preferred time slot.

In the event that open spots remain, families that have yet to volunteer will be assigned an open service detail. Please complete the following preferences in service detail choice.
